

# VAT Certificate of Declaration

## For large business customers

### Customer declaration certificate

Certificate to EDF Energy in respect of premises qualifying for the reduced rate of VAT.

Please note: as the percentage of qualifying use can vary between energy supplies to the same site, a separate form is required per fuel, per account. All sections (A, B, C) must be completed.

If the certificate is not fully completed, we may have to return it to you for further clarification.

To speak to a member of your Customer Services team, please call them using your dedicated team hotline.

You can find this number at the top of your bill. If you haven't had a bill from us yet, or can't find it, please call our general Customer Services number on **0845 366 3664**.
